**Important, Read Carefully  
New Primary Election  
Voting Instructions**

\* \* \* \* \*

The U.S. Supreme Court and State Law required a change in the way we vote in **Partisan Primary** elections. This form of voting - **WILL NOT APPLY** - in the General Election, November 2nd.

Enclosed you will find a "Ballot" envelope containing four (4) ballots. There is a Democratic, Republican, Libertarian and Non-Partisan ballot. You will only vote one (1) ballot. Anyone voting at a polling place will also get four (4) ballots and have to follow the same rules outlined below.

**To Vote:**

1. Select **ONLY** one (1) of the four (4) ballots in your ballot envelope. You **must not** vote more than one.
2. Cast your votes for only the candidates of the Party Ballot you chose and the Non-Partisan offices, along with any levies or bonds.
3. Place your voted ballot in the white security return envelope and seal it.
4. Place the sealed security envelope in the yellow return envelope, affix postage and mail.
5. **DESTROY** the remaining three (3) ballots.

**No record of which ballot you choose will be kept so your party choice will be secret.**

**(over)**
